

Application and Agreement

The *Strottner Gives Back* program was developed to support non-profit organizations that are working to make their part of the world a better place! From the day we opened our doors in 2002, we recognized how important it is to be involved in, and a part of, our local community. Everyone that works at Strottner Designs volunteers their time; through the PTA, different Scouting organizations, the YMCA, Youth Sports, Habitat for Humanity, the arts and theatre, and in other areas and organizations. Many of our clients dedicate their time to worthy causes as well, and we all recognize that having a Servant's Heart is something to celebrate, encourage and do our best to help where and when we can.

Eligible organizations must have 501(c)(3) IRS status, and not be affiliated with, or be a branch or subsidiary of, or controlled by, for-profit companies.

Strottner Designs will build 4 Standard Websites per year under the *Strottner Gives Back* program, one website per quarter.

Deadline for the application is December 1 for the First Quarter of each year, March 1 for the Second Quarter, May 1 for the Third Quarter and September 1 for the Fourth Quarter.

Please email the completed application, the IRS determination letter for status (or equivalent), and any additional materials to support@strottner.com to be eligible and apply for the free website by deadline above. If you are not chosen for the quarter you are applying for, or you submit past deadline, we will keep your application on file and consider your organization as a future recipient.
